

DUALSENSES

FOR MEN

Exactly what men's hair needs— See it. Feel it. Instantly.

Fulfill your male clients' needs for quick and easy haircare: dualsenses FOR MEN offers everything that men want and everything men's hair needs with its modern fragrance, formula and design.

Features & Benefits:

- For instantly visible healthy, strong hair and noticeable energy you can feel
- Masculine care and styling products specially designed for men's hair
- Easy & efficient—exactly what men want

Assortment:

Hair & Body Shampoo 300 ml, 1500 ml
 Activating Scalp Tonic 125 ml
 Power Gel 150 ml
 Texture Cream Paste 100 ml
 Thickening Shampoo 300 ml, 1500 ml

BALANCED TECHNOLOGY—EFFICIENT ACTION

Instant Microfluid Technology for instantly visible and **noticeable** results: hair is covered by an ultra fine fluid providing a quick and even distribution of the system's active ingredients.

The **Recharge System** with guarana caffeine complex: The recharge system strengthens men's demanding hair against environmental elements combined with proteins and panthenol. The combination of menthol, guarana and caffeine has a revitalizing effect on hair and scalp.

For normal hair:

Hair & Body Shampoo

Vitality & energy for normal hair

- Cleanses, revitalizes and cares for hair, skin and scalp

Activating Scalp Tonic

Fortified hair & energy for all hair and scalp types

- Fortifies and revitalizes the hair and scalp with a cooling effect

Power Gel

Strong hold & energy for all hair types

- Gives a strong hold
- Protects against moisture loss

Texture Cream Paste

Texture & Energy for all hair types

- Delivers structured and dynamic looks with a matte finish
- Provides medium hold
- Easy application because of its cream-consistency and extra long modeling time

For special hair needs:

Thickening Shampoo

Fullness & energy for fine and thinning hair

- Gently cleanses and actively strengthens hair, providing a feeling of having thicker hair
